EDUCATION

Carnegie Mellon University, Heinz College — **December 2026**
Master in Information Systems Management
Relevant Coursework: Database Management, Corporate Startup Lab, Data Science for Product Managers, Distributed System, Agile Methods

Vellore Institute of Technology — **May 2022**
Bachelor of Technology in Mechanical Engineering, GPA: 3.86 /4.0
Relevant Coursework: Object-Oriented Programming, Product Development, Statistical Data Analytics, Linear Algebra

SKILLS

Languages: Java, C++, JavaScript, Python
Developer Tools & Cloud Services: Microsoft Power Platform, Google Cloud Platform, Salesforce, Azure, Microsoft Fabrics, AWS
Product: Agile/Scrum, JIRA, Azure DevOps, Figma, Microsoft 365 Suite
Analytics & Frameworks: Microsoft Power BI, Tableau, Apache Spark
Certifications: Professional Scrum Master I (Scrum.org), Microsoft Azure Fundamental (AZ-900), Microsoft Power Platform App Maker (PL-100), Microsoft Power Platform Developer (PL-400), AWS Certified Cloud Practitioner

WORK EXPERIENCE

KPMG India — Gurgaon, India

Associate Consultant — **June 2024 – July 2025**
- Developed a scalable ESG Reporting System using Microsoft Fabric, automating ESG metric ingestion for **100+** stakeholders, reducing manual effort by **40%**.
- Enhanced data pipeline efficiency by **35%** with Python optimization scripts for data transformations across multiple layers.
- Designed Power BI KPI models, improving reporting accuracy by **30%** and enabling real-time CSRD compliant sustainability analysis.
- Strengthened security using role-based access control (RBAC) and dynamic data masking for sensitive datasets.
- Created interactive dashboards for **100+** KPIs, empowering HR and finance teams to make informed decisions.
- Integrated Eco Vadis APIs with HRMS data, optimizing sustainability metrics for **500+** records monthly.

Analyst — **June 2022 – June 2024**
- Designed a Distributor Management Sales App using PowerApps and Azure Logic Apps, reducing order processing time by **40%** and achieving **95%** adoption among distributors.
- Automated invoicing management for **10,000+** monthly transactions, increasing efficiency by **50%**.
- Built a leave management platform for **1,200+** employees, cutting HR processing time by **50%** through workflow automation.
- Delivered mobile-responsive solutions, achieving a **90%** adoption rate among operational teams.
- Managed end-to-end development life cycle via Azure DevOps, ensuring **90.9%** up time and reducing deployment time by **40%**.
- Mentored a team of 5 developers, driving design sprints and stakeholder demos, increasing user adoption by **80%**

Intern Analyst — **January 2022 – June 2022**
- Streamlined compliance audit reviews with a PowerApps approval tool, reducing approval times by **90%**.
- Implemented SSO authentication via Azure AD for **900+** global users, improving security and usability.
- Ensured audit readiness by integrating document tracking with SharePoint for **1,000+** records.

PROJECTS

CO2 Emissions Forecasting — **November 2021 – January 2022**
- Built a Random Forest Regression model to predict annual CO2 emissions with a 96.8% R^2 score using data from the World Bank.
- Supported sustainability strategies with accurate emissions forecasting.

Facial Expression Detection — **December 2021 – January 2022**
- Created a system using Deep Convolutional Neural Networks (DCNN) to classify seven emotions, achieving 86.63% accuracy on the FERC 2013 dataset.
- Demonstrated potential for emotion-aware AI applications.

LEADERSHIP AND AWARDS

Encore Kudos Award – KPMG India - Recognized for professionalism, quality deliverables, and quick learning. — **December 2024**
Encore Spot Award – KPMG India - Awarded for proactive client demos, pre-sales excellence, and team impact — **December 2024**
Up for Anything Team Member – KPMG India - Awarded for ownership and high-quality results under pressure. — **March 2023**
The Scientific Research Society– Chairperson- Led 100+ members and 15+ events on Data Science, ML, and AI, including outreach for underprivileged children. — **January 2021**
